

Subject: International Journal of Molecular Sciences [IJMS IF 4.556]

Special Issue on

"Advanced Applications of Carbon-Based Adsorbents"

(Eds: Prof. Carlo Crescenzi; Dr. Paolo Ciccioli; Prof. Sara Bogialli & Prof. Maria Sarno)

Dear Colleagues,

It would be a great honor if you or someone from your group could contribute to this Special Issue:

The following special issue, for which we serve as guest editor, will be published in the International Journal of Molecular Sciences (IJMS, <http://www.mdpi.com/journal/ijms>, ISSN 1422-0067), and is now open to receive submissions of full research articles and authoritative review papers for peer-review and possible publication:

Special Issue: **Advanced Applications of Carbon-Based Adsorbents**

Website: https://www.mdpi.com/journal/ijms/special_issues/carbon_adsorbent

Guest Editors: **Prof. Carlo Crescenzi; Dr. Paolo Ciccioli; Prof. Sara Bogialli & Prof. Maria Sarno**

Deadline for submissions: **31 January 2021**

Earlier submissions are also welcome. They will be processed upon receipt and published online upon acceptance (i.e., possibly prior to the submission deadline).

Your being a leading scientist in the field make you a highly desirable contributor to this issue. It is therefore our privilege and pleasure to invite you, or one of your coworkers, to submit an article on this topic. The article may be either a full paper or a communication based on your own research in this area, or may be a focused review article on some aspects of the subject (also see the list of key words on the web page).

Benefits of publishing with IJMS (**Impact Factor: 4.556 (2019)**), *IJMS*/ now ranks 74th out of 297 titles (Q1) in the category of 'BIOCHEMISTRY & MOLECULAR BIOLOGY' and 48th out of 177 titles (Q2) in 'CHEMISTRY, MULTIDISCIPLINARY':

1. Open access. Open access (unlimited and free access to readers) increases publicity and promotes more frequent citations, as indicated by several studies.

2. High visibility: indexed by the **Science Citation Index Expanded** (Web of Science), **MEDLINE** (PubMed), **Scopus** and other databases. *IJMS*/ now ranks 74th out of 297 titles (Q1) in the category of 'BIOCHEMISTRY & MOLECULAR BIOLOGY' and 48th out of 177 titles (Q2) in 'CHEMISTRY, MULTIDISCIPLINARY'. We believe that with your help, we could definitely reach an even higher level.

3. Rapid publication: manuscripts are peer-reviewed and a first decision provided to authors approximately 18 days after submission; acceptance to publication is undertaken in 5.6 days (median values for papers published in the first six months of 2018)

4. Discounts on Article Processing Charges (APC). An Article Processing Charge (APC) of CHF 2000 currently applies to all accepted papers. You will get 200 CHF discount as you are an invited contributor. Meanwhile, you may be entitled to a discount if you have previously received a discount code or if your institute is participating in the MDPI Institutional Open Access Program (IOAP), for more information see: <http://www.mdpi.com/about/ioap>.

For further details on the submission process, please see the Instructions for Authors at <http://www.mdpi.com/journal/ijms/instructions>. Please feel free to inquire if you have any questions.

In case you need any further information, please never hesitate to contact us (myself or the Assistant Editor: candice.yang@mdpi.com or the Editorial Office: ijms@mdpi.com). Thank you very much in advance for your kind contribution and co-operation.

We look forward to hearing from you.

With best wishes,

Prof. Dr. Carlo Crescenzi

Dr. Paolo Ciccioli

Prof. Dr. Sara Bogialli

Prof. Dr. Maria Sarno

Guest Editors

[Example 1] Subject: Special Issue "Advanced Applications of Carbon-Based Adsorbents"

Dear Professor,

I work at the XXX and my research focuses on XXX.

My publications are visible at the following link:

XXX

I am writing to inform you that I am editing as a Guest Editor a Special Issue entitled "**Advanced Applications of Carbon-Based Adsorbents**" which will be published in the International Journal of Molecular Sciences (IJMS, <https://www.mdpi.com/journal/ijms>, ISSN 1422-0067; IF 4.556).

Given your expertise in the field, I would be very pleased if you or someone from your group could contribute to this Special Issue with a review or a research paper on **Carbon-Based Adsorbents**. I hope that this Issue could also be a meeting place for scientists working on ataxia as well as an opportunity to establish future collaborations.

The deadline is **January 31, 2021**. For further details on the submission process and on the Special Issue, please see the Instructions for Authors at

https://www.mdpi.com/journal/ijms/special_issues/carbon_adsorbent

Please feel free to contact me if you have any questions.

Looking forward to hearing from you.

All the best,

Prof. Dr. Carlo Crescenzi
Department of pharmacy, University of Salerno,

Italy

[Example 2] Subject: [IJMS IF 4.556] Special Issue entitled: Advanced Applications of Carbon-Based Adsorbents (Eds: Prof. Carlo Crescenzi; Dr. Paolo Cicciole; Prof. Sara Bogialli & Prof. Maria Sarno)

Dear colleague,

Please allow me to introduce myself first. My name is XXX, I am Professor of XXX. I received an invitation from the International Journal of Molecular Sciences (IJMS, IF 4.556) to be available as a Guest Editor for a special issue " **Advanced Applications of Carbon-Based Adsorbents** " which I finally agreed.

Now, with the following official invitation below, I would like to ask you if you have anything in the pipeline on this important topic and could submit it to IJMS.

For your information I also attach the "Special Issue Flyer".

Thank you in advance and best regards from **Salerno**,

Dear Dr.,

The following special issue of which I am the Guest Editor will be published in the International Journal of Molecular Sciences (IJMS, <http://www.mdpi.com/journal/ijms>, ISSN 1422-0067), and is now open to receive submissions of full research articles and authoritative review papers for peer-review and possible publication:

Special Issue: **Advanced Applications of Carbon-Based Adsorbents**

Website: https://www.mdpi.com/journal/ijms/special_issues/carbon_adsorbent

Guest Editor: **Prof. Carlo Crescenzi**

Deadline for submissions: **31 January 2021**

Given your past work on the theme of this special issue and related disciplines, I would like to invite you and your colleagues to submit a contribution for this special issue in which some of the leading experts will describe their work, ideas and findings. Your paper will be treated with high priority during processing and They will be processed upon receipt and published online upon acceptance (i.e., possibly prior to the submission deadline).

In case you need any further information, please never hesitate to contact us (myself or the Assistant Editor: candice.yang@mdpi.com or the Editorial Office: ijms@mdpi.com). Thank you very much in advance for your kind contribution and co-operation.

I look forward to collaborating with you and hearing back from you soon.

Guest editor,

[Example 3]

I hope this message finds you, and your dear ones, safe and in good health during these challenging times we are living in.

I am reaching out to let you know that we are organizing a special issue on "**Advanced Applications of Carbon-Based Adsorbents**" that we think you may be interested in contributing to.

Please follow the link below or check the enclosed **flyer** for details on the scope of the issue and expected contributions.

https://www.mdpi.com/journal/ijms/special_issues/carbon_adsorbent

We hope you are interested and find time to submit a contribution – in my view, the International Journal of Molecular Sciences has become a popular journal in the field with a steadily increasing impact factor (IF 4.556), and we hope that, with your help, this special issue will be successful.

Please check the bullet points below with some additional information. Do not hesitate to contact us, or the Assistant Editor, Candice Yang (candice.yang@mdpi.com) for further information.

We are looking forward to your positive reply to this call!

Stay safe and healthy.

Best wishes,

Carlo Crescenzi

- If you are interested in contributing, please let us know – a tentative title and a very short summary of 1-2 sentences will do.
- The final deadline for submissions is: 31 January 2021
- IJMS has a rigorous peer-reviewing process for all manuscripts, but is proud to provide the first decision to authors approximately 15.7 days after submission. Upon acceptance the paper is rapidly published online.
- IJMS is an open access journal with article publication charges APC (<http://www.mdpi.com/journal/ijms/apc>). For this issue, the Editorial office is granting a 200 CHF reduction of the fee. For questions on this matter please contact Candice Yang (candice.yang@mdpi.com).

[Reminder - template]

Subject: Reminder [IJMS IF 4.556] Special Issue "**Advanced Applications of Carbon-Based Adsorbents**" (Eds: **Prof. Carlo Crescenzi; Dr. Paolo Ciccioli; Prof. Sara Bogialli & Prof. Maria Sarno**)

Dear xxx,

I am the Guest Editor of the special issue mentioned below. Maybe you have something in the pipeline that could be used for a nice paper in this special issue? In case you would be interested please let us know at your earliest convenience.

Special Issue: **Advanced Applications of Carbon-Based Adsorbents**
Website: https://www.mdpi.com/journal/ijms/special_issues/carbon_adsorbent
Guest Editors: **Prof. Carlo Crescenzi; Dr. Paolo Ciccioli; Prof. Sara Bogialli & Prof. Maria Sarno**
Deadline for submissions: **31 January 2021**

With best regards,

Prof. Dr. Carlo Crescenzi

Dr. Paolo Ciccioli

Prof. Dr. Sara Bogialli

Prof. Dr. Maria Sarno
